

All You Need to Make Your Good Firm GREAT!

The Delta4 Practice System™ & the Accountants Alliance were developed with one sole purpose in mind - to provide accountants in public practice with the processes, systems, protocols and the support they need to design and build the practice they really want.

Re-engineer your practice, build your team, develop your exit strategy and differentiate your firm.

When you implement this practical, yet powerful system in your practice, you'll have everything you need to:

1. Build a sustainable competitive advantage.
2. Differentiate your firm in the eyes of existing and prospective clients.
3. Get more of the types of clients you enjoy working with.
4. Build a team that helps you make a difference.
5. Design innovative and valuable product and service offerings.
6. Dramatically increase your firm's profitability.
7. Control your exit strategy and firm succession planning.

The Delta4 Practice System gives you everything you need to make your good firm GREAT!

"My practice is much more productive and fun as a result of implementing your practice development modules. We hardly work any overtime, our revenues are up, our clients are great to work with and appreciate the extra time we have to serve them. Thank you and keep up the great work you are doing on behalf of our profession."
